image 3 of 3

Not sure motor size not stamped, but will run 60+mph, not in perfect shape but vary rideable.

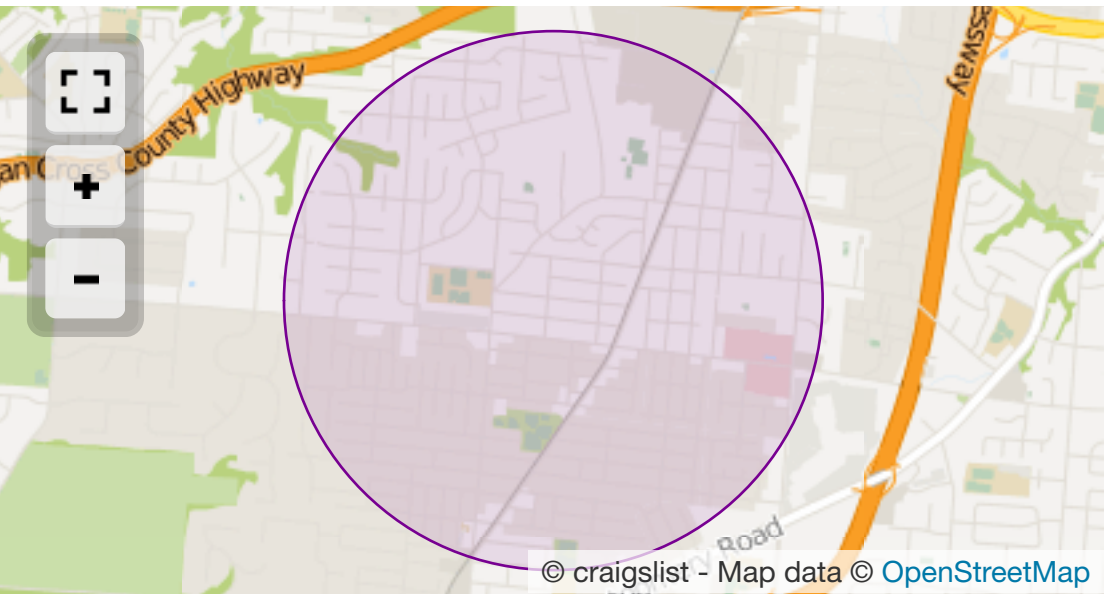

Not looking to sell looking to trade for a fishing kayak. No Walmart crap either!!!

Dicks is about the lowest grade I would trade for. Just so you know.

Let me know if you are interested, I'll send you my number but I'm not posting it in this add. I have videos of this chopper
